

New Jersey Realtors®
Housing Opportunity Foundation

REALTORS® Care Day

September 17, 2020

What is Realtors® Care Day?
RCD was established as part of the NJ Realtors® Housing Opportunity Foundation's commitment to sustaining affordable housing. The purpose of the day is to assist homeowners with exterior home repairs, as well as to provide adaptive and safety modifications for the elderly and disabled. RCD is a great way to support communities around New Jersey and continue to make our state a wonderful place to live.

Who is involved?
RCD is made possible by Realtor® members throughout the state who donate their time in order to better the communities in which they live and work. While volunteer opportunities are not open to the public, the projects require professional assistance from builders, developers, and other community professionals, such as painters and home inspectors.

Is the foundation a 501(c)(3) organization?
Yes. The foundation is incorporated as a 501(c)(3) entity. The tax ID number is 81 0636974. For questions regarding tax deductions, please consult your tax advisor.

SPONSORSHIP LEVELS & BENEFITS

Your sponsorship will help the foundation and local Realtors® tackle some of the most pressing needs in New Jersey through Realtors® Care Day projects. Through affiliation with New Jersey Realtors® and its charitable arm, the Housing Opportunity Foundation, a 501(c)(3) nonprofit, you are demonstrating a commitment to safe, affordable, and sustainable homeownership. Sponsorship provides your company excellent visibility in the Realtor® community.

Your support will not only make a difference to the houses we repair, but also in the lives of the families who call them home.
